

PROJECT PROFILE TUMBALONG PARK

Client: Sydney Harbour Foreshore Authority

Tumbalong Park is a popular five hectare open space located within the Darling Harbour precinct. Central to the area is a grassed amphitheatre which hosts a wide variety of community events throughout the year.

SCOPE OF WORKS:

- Site safety management plan review and induction
- Establishment of equipment to site
- Mill out area to approximately 15-20mm using our Field Top Maker with spoil conveyed to a balloon-tired tipper to remove stockpile
- Levelling of area
- Fertilisation of prepared area
- Irrigation system audit and service
- Supply and lay kikuyu maxi rolls that have been cut with a minimum of 15mm of soil to ensure once laid, will be level with surrounds.
- Site clean up and disestablishment
