

## **HR PLANT OPERATOR – TURF SERVICES**

### **HR Licence is essential**

We seek a plant operator to assist in the development our growing Turf Services Division. You will be fully trained in the operation of a variety of specialised turf renovation equipment and be responsible for improving open space areas for our customers.

As an example, you will operate a variety of plant and equipment including tractors with specialised implements, spreader trucks, front end loaders, mowers and tilt trays.

This position is much more than an HR driver. You will favour attention to detail, be able to communicate clearly on behalf of our company to the customer and be passionate about your work results.

### **Essential Criteria:**

- HR licence
- WHS Whitecard

### **Desirable Criteria:**

- Mechanical ability highly regarded
- Greenkeeping or turf renovation experience favourable

We will offer training in all aspects of our service delivery with the opportunity to increase your skills and advancement in the company. At times some flexibility will be required regarding work hours and intrastate travel, as well as some weekend work.

The Green Horticultural Group is a company that offers attractive remuneration and great opportunities for the right people.
