## HR PLANT OPERATOR – TURF SERVICES

### **Our Company – GHG (Green Horticultural Group)**

For over 20 years, GHG has focused on delivering quality outcomes and genuine customer service to our state-wide customer base. Today, our company continues to move forward, and we are recognised as one of the most respected names in the turf construction, renovation and landscape maintenance industry.

Our Turf Services Division is growing, and we require a Plant Operator to assist in its development. You will be fully trained in the operation of a variety of specialised turf renovation equipment and be responsible for maintaining and improving open space areas for our customers.

As an example, you will operate a variety of plant and equipment including tractors with specialised add-ons, spreader trucks, front-end loaders, mowers and tilt trays.

This position is much more than a HR Driver. You will have keen attention to detail, be able to communicate clearly on behalf of our company to the customer, and be passionate about your work.

If you are motivated, can work independently and enjoy the backdrop of a team-based environment - then we want to hear from you!

### **Essential Criteria**

- **HR Licence**
- **WHS White Card**

### **Desirable Criteria**

- Mechanical ability is highly regarded
- Greenkeeping or turf renovation experience is favourable

### **What's on offer?**

You'll receive training in all aspects of our service delivery and the opportunity to increase your skills and advancement in the company. At times some flexibility will be required regarding work hours and intrastate travel, as well as some weekend work.

There's an attractive remuneration package for the successful candidate as well as the fantastic opportunity to join an industry leader with strong year on year revenue growth and outstanding prospects for the right applicant.
